

# Deerhound-Jahresausstellung 05

03. September 2005 in Bad Homburg  
Richterin Fr. Glenis Peach

Good morning,  
please extend my good wishes to the committee who asked me to judge this lovely show. I was thrilled with the entry and quality of the hounds overall was very good. Many would do well here in the UK. The exhibitors were kind and patient with me, as you know the judging system here is so different but once I had got into my stride I felt quite at ease with my decisions. Many dogs had to go without cards that on another day would have won. Thank you again Germany, I look forward to coming back and visiting soon.
